Death Rattles Andy Rausch

From the warped mind of author Andy Rausch comes *Death Rattles*, a unique collection of sixteen chilling short stories. These macabre tales cover all the bases of classic horror, from ghosts and zombies to demonic possession, but each are handled in such a way as they've never been before. Aficionados of the genre won't want to miss this one-of-a-kind collection of horrifically twisted tales. "Andy Rausch grew up reading Stephen King and watching great stuff like *Twilight Zone*, *Carrie*, and *Alfred Hitchcock Presents*, from the time he was ten-years-old. He took inspiration from all of it, but his writing has its own powerful uniqueness. His tough, muscular, hard-hitting prose is married to thought-provoking concepts that make you question your own opinions, your own moral stance, your own preconceptions of right and wrong. Don't miss *Death Rattles*! It will rattle your brain and tingle your spine!" —John Russo, author, *Night of the Living Dead* "The classic horror short story not only lives and breathes. In the imaginative brain of Andy Rausch, it's totally reanimated. Want proof? Sample, from this brain-busting collection, 'The \$10,000 John Wayne Magnum Opus.' But not just before you go to sleep, unless you want to risk nightmares." —Herschell Gordon Lewis, author, *Blood Feast* "I believe that *Death Rattles* by Andy Rausch contains the absolute best short stories of the year!" —Lloyd Kaufman, author, *The Toxic Avenger*
