## **Foundations of Athletic Training: Prevention, Assessment, and Management (SPORTS INJURY MANAGEMENT ( ANDERSON))** Marcia K. Anderson, Gail P. Parr, Susan J. Hall PhD

This text integrates basic medical concepts and related scientific information to provide a strong foundation of general athletic training practices. Using a problem-solving approach to prevention, recognition, assessment, management, and disposition of sports-related injuries and diseases, this text provides athletic trainers and athletic training students with the most extensive, challenging content in a user-friendly format.

This edition features a full-color art program and more extensive injury photographs. Anatomy line art superimposed onto a real human helps students visualize the location of key muscles, nerves, and blood vessels.

A companion Website on thePoint will offer a variety of student and instructor ancillaries.
