Lauren had been raised to not be afraid of anything, and she lived by that code, that is until her dad died and left everything in her hands. Now she's not only in charge of her two younger sisters, but she's running a full-blown Texas ranch. Caring for a thousand-acre ranch has its ups and downs, physically, mentally, and financially. All she is looking for is a little break. What she doesn't have time for is someone who will only complicate her life further.

Chase is back in his hometown. Helping his dad with his veterinary practice is high on his list. So is being with the lovely Lauren West. Years ago, he found a unique way to bind them together. Now all he has to do is prove to her that he's the right man to spend the rest of her life with.
