Bethan, Dr Jones

The Last Poems of D.H. Lawrence: Shaping a Late Style Bethan, Dr Jones

In the first book to take D. H. Lawrence's Last Poems as its starting point, Bethan Jones adopts a broadly intertextual approach to explore key aspects of Lawrence's late style. The evolution and meaning of the poems are considered in relation to Lawrence's prose works of this period, including *Sketches of Etruscan Places*, *Lady Chatterley's Lover*, and *Apocalypse*. More broadly, Jones shows that Lawrence's late works are products of a complex process of textual assimilation, as she uncovers the importance of Lawrence's reading in mythology, cosmology, primitivism, mysticism, astronomy, and astrology. The result is a book that highlights the richness and diversity of his poetic output, also prioritizing the masterpieces of Lawrence's mature style which are as accomplished as anything produced by his Modernist contemporaries.
