The eyes are the mirror to the soul. We are living here in this little seemingly sleepy backwoods town of Gold Hill trying to get our souls back or to save what little there is left of them. I pray to God....why has he forsaken us? This will be the fight of our lives between the cult Zombies and the green beret army who are stationed here and are both trying to take us out. Little does the Army know that we also have some of the tainted zombi blood coursing savagely thru our veins. Our hearts beat with a synchronized rythm and a super strength. We cannot show our strength....we must. not be found out. Daniel, one the army was bitten by a cult zombi, is staying with us while I try to heal him. He finally decides who his true love is, he makes his choice; is it my best friend in the world Nancy, or I? I have to hurry and make the new herbal serum to save us all. I'm running out of time. I have to hurry before the entire town implodes upon itself. My hands are shaking as I pour the formula and I almost spill it.
