“You know you’re crazy, right?” Dennis' wife warned him. “This jealousy thing has got to stop. I’m not sure if it’s an obsession, or a fetish at this point.”

What happens when your worst nightmare is your most feverish desire?

Husband Dennis is obsessed. He's convinced his sexy wife, Alison, is cheating on him - and he's conflicted about how that makes him feel.

He gets hurt and furious, the anger pounding in his temples. But his cock also gets harder and thicker than its ever been before.

What Dennis fears the most is also what turns him on the most.

Things come to a head late one night, when Alison comes home late from work - and brings a sexy stranger with her. Watching from the bedroom, Dennis sees his wife stripped and screwed by this well-hung stud; and is too turned on to do anything but watch.

But that's only the first of the surprises Alison has in store for her conflicted husband - and Dennis' life is about to never be the same again.
