Book 1 - Family Pride: Love and Challenges

Book 2 - Family Pride: Blood Fever

Business owner Mac Mackennon is a perfect catch: attractive, ambitious and successful. He's a member of an old, established pride of lion shapeshifters, but determined to live life as a loner. Except that when Zora Mason walks into Mac's coffee bar one day and applies for the position of assistant manager, he knows without a doubt he's met the woman of his dreams.

Can she accept life with a shifter-boyfriend?

Zora knows a lot more about Mac (and the other shifters in town) than she's been letting on. Falling in love with a sexy shifter is more than she bargained for when it comes to dealing with sibling drama, learning the business, and managing an alpha male who's used to doing things his way. When a challenge to Mac's Pride threatens to destroy Mac's family, Zora has to decide whether to be claimed as his mate in a ritual in front of the pride.

Who knew that love with a lion shifter would be so challenging?
