*Fashion Design* is a core text designed to introduce undergraduate students to the central concepts of fashion design. Whereas fashion design is often considered entirely frivolous, this book considers the significant cultural, economic, and ethical issues that designers must balance to be effective in the global fashion industry. After looking at the history of fashion design, the book provides an overview of the conceptual process involved in developing a fashion line and bringing garments to the market. It looks at the impact of individual consumer characteristics as well as aesthetic, cultural, and economic influences on design. The book addresses a key topic in the new *Understanding Fashion* series. The contextual analysis of fashion design alongside critical cultural, economic, and ethical concerns sets this book apart from other texts on the same topic. Designed to aid teaching and learning, each chapter includes key definitions, summaries, case studies, discussion questions and suggestions for further reading. Using this book as a guide students will develop an understanding of fashion design that challenges stereotypes and encourages them to think creatively about issues and ideas that motivate them.

#### **Hector Duggan:**

As a pupil, I exactly feel bored to be able to read. If their teacher requested them to go to the library as well as to make a summary for some publication, they are complained. Just tiny students that have reading's heart and soul or real their leisure activity. They just do what the teacher wants, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Books are very important to suit your needs. As we know that on this period, many ways to get whatever we would like. Likewise, words say,

ways to reach Chinese's country. Therefore this Fashion Design (Understanding Fashion) can make you sense more interested to read.
