Sunset - On the Passing of Those We Love S. Michael Wilcox

During the last months and weeks of his wife's life, Michael Wilcox kept a journal to record what he was learning about living, loving, and grieving. Although at the time he did not intend that it would ever be published, he explains, There has been a continent shift in my life which will be understood by many who have been where I am. I offer my own passage, hoping it may lift others who share the path with me, or who will one day find themselves on the same road, hoping someone left a few signposts to help them find their way. Beautifully written, this is a thoughtful and sensitive book that delivers an unflinchingly honest look at enduring the loss of a loved one.
