The quality of your work and your relationships with others can make or break your voiceover career. This guide seeks to help give you tips and tricks to use while you are narrating and producing great quality sound products. It will help you to gain repeat business and keep a positive reputation in the eyes (and ears) of your clients.

This guide will refer to the client as an 'author'. In this particular case, we are working between author clients on www.acx.com and voiceover artists/producers that have built their profiles and client base on acx. The guide can apply to any situations where you are working with authors, writers, scriptwriters or other clients. The guide can apply whether you are producing cartoons, audiobooks, commercials or other voiceover projects.
