Unveiling the Time of Jacob's Trouble: Part 2 in the Sealed Till the Time of the End Series Deborah Jean Stearn

Astounding evidence that pinpoints the timing for Jesus' return. The information in this book demolishes the boundaries and prohibitions of Christian, extra-biblical law. For years we have been led to believe it is sinful to speculate about the time of Jesus' return a result of the misinterpretation of Matthew 24 and Mark 13 by the violation of the Law of Context. However, the secrets of the timing for Jesus' return are actually hidden in the heavens and the biblical feasts, and this book will prove we are indeed admonished to watch for His appearing, and to number our days. In this fascinating Israel-centered and scientific study, you will explore the major calendars of the world only one of which reveals its true age of nearly 6,000 years. That same calendar contains the message of salvation-history in its months, and in its days it mirrors prophetic history from creation week. You will also discover: - The cycles of the heavenly lights are synchronous with prophetic history. - The constellations foretell the first and second comings of Jesus. - Tetrad moon eclipses in history mirrored the birth of Israel in 1948 and Israel's recapture of Jerusalem in 1967. - The tetrad moon eclipses due in 2014/2015 mark the beginning of Daniel's 70th week. - The timetable for the Great Tribulation is built into the Hebrew calendar and feasts. - The significance of the year 6000 on the Gregorian calendar. These are just some of the astounding evidences that all point to the same time for the arrival of Jesus in the year 6000. Unveiling the TIME of Jacob's Trouble is a must read for any serious truth seeker.
