This book reveals the twelve natural laws of freedom, progress, and success that will help reverse the decline in society and restore freedom and prosperity. New York Times bestselling author Oliver DeMille is always on point as he schools us on all things freedom. Our society is in decline because we are breaking twelve natural laws, and until we change this, the decline will continue—no matter what else happens. But we can't sit around waiting for politicians to fix things. We, the ordinary people, have all the power over these twelve laws. Now is the time to get educated and take a stand for freedom!
