CL Gammon

Nazi Mad Science I: High Altitude Experiments CL Gammon

In this book, bestselling author CL Gammon relates the high altitude experiments conducted at Dachau Concentration Camp in 1942. The details of experiments read like scenes from some fantastic and cheesy horror movie from the 1950's. However, they are actual hideous, sadistic "scientific" experiments performed by school-trained medical professionals in Nazi Germany. They are true examples of NAZI MAD SCIENCE!
