Fall in love with the New York Times & USA Today bestselling Grayson Brothers series.

If the love of your life was forbidden...what would you do?

Everything Radford Grayson wanted was in his hometown: his beloved mother and brothers, and the unscarred part of himself he'd left behind. After surviving a gruesome war, all Radford wants is to work the family sawmill and make a real home for his young daughter. But Evelyn—his brother's fiancée—reaches into his darkness with her healing love and makes him feel whole again for the first time in years. Torn between his unexpected and forbidden love for Evelyn and a desperate need to honor and protect his brother, Radford discovers that his fiercest enemy is his own heart. The one woman he can't have is the only woman he wants.
