Supply Chain Management Fundamentals 1: Integrating Purchasing, Operations & Logistics: Module One (Supply Chain Management Fundamentals: Integrating Purchasing, Operations & Logistics)

Eddie Davila

This module will make you wonder where everything around you came from and how it was made. This module will likely ruin the way you look at everything you buy, every store you visit, as well as the place where you presently work. This frustration will empower you to think about creating supply chain solutions. Beware: This module just might make you want to change your career path.
