Working with the Under Threes: Training and Professional Development (Concepts in the Social Sciences) Lesley Abbott

The training and support of pre-school workers is a key issue in the current educational climate, and working with under threes carries a particular responsibility. This book is intended for practitioners and trainers in this field. Topics include: new approaches to training, continuing professional development, equal opportunities, working with parents or carers, men working with under threes, special educational needs, child protection, and the inspection process. Key issues are identified for consideration.
