## **Beyond Empowerment: A Pilgrimage with the Catholic Campaign for Human Development (Cchd-Catholic Campaign for Human Development) Jeffry Odell Korgen**

Moving from place to place in the United States, this book tells stories of hope from the Catholic Campaign for Human Development through interviews with and profiles of the remarkable leaders of its funded projects. Each chapter focuses on a different dimension of organizing and economic development, in varied regions of the United States, through the voices of low-income leaders, articulating their struggles, triumphs, and inspirations.

In addition to exposing readers to the important work of the Catholic Campaign for Human Development (which is present in every diocese in the United States), this book will also help the readers consider how they can get involved with economic development and organizing efforts with low and moderate income people in their area.
