**Delphine** Richard Sala

**Richard Sala's graphic novel retelling of Snow White recasts the fairy tale as a chiller from the Prince's perspective.**

A mysterious traveler gets off the train in a small village surrounded by a thick, sinister forest. He is searching for Delphine, who vanished with only a scrawled-out address on a scrap of paper as a trace. In his newest chiller, Richard Sala takes the tale of Snow White and stands it on its head, retelling it from Prince Charming's perspective (the unnamed traveler) in a contemporary setting. This twisted tale includes all the elements of terror from the original fairy tale, with none of the insipid saccharine coating of the Disney animated adaptation. Yes, there will be blood. Originally serialized as part of the acclaimed international "Ignatz" series, *Delphine* is executed in a rich and ominous duotone that shows off Sala's virtuosity just as much as last year's full-color post-apocalyptic horror fantasy *The Hidden* did ? punctuated with stunning full-color chapter breaks. Yes

### From reader reviews:

#### Irving Brehm:

What do you think of book? It is just for students since they are still students or that for all people in the world, what the best subject for that? Just you can be answered for that question above. Every person has different personality and hobby for each and every other. Don't to be pressured someone or something that they don't wish do that. You must know how great along with important the book Delphine. All type of book is it possible to see on many resources. You can look for the internet options or other social media.

#### Anna Brooks:

Often the book Delphine has a lot info on it. So when you make sure to read this book you can get a lot of gain. The book was written by the very famous author. Mcdougal makes some research ahead of write this book. This specific book very easy to read you can find the point easily after scanning this book.

#### Robert Garcia:

This Delphine is great book for you because the content which can be full of information for you who also always deal with world and still have to make decision every minute. That book reveal it info accurately using great manage word or we can say no rambling sentences in it. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but challenging core information with attractive delivering sentences. Having Delphine in your hand like obtaining the world in your arm, data in it is not ridiculous one particular. We can say that no guide that offer you world inside ten or fifteen moment right but this book already do that. So , this really is good reading book. Hi Mr. and Mrs. occupied do you still doubt this?

#### Christina Bishop:

This Delphine is completely new way for you who has intense curiosity to look for some information given it relief your hunger of knowledge. Getting deeper you in it getting knowledge more you know otherwise you who still having little digest in reading this Delphine can be the light food in your case because the information inside this kind of book is easy to get through anyone. These books build itself in the form and that is reachable by anyone, that's why I mean in the e-book type. People who think that in e-book form make them feel sleepy even dizzy this publication is the answer. So there is no in reading a reserve especially this one. You can find actually looking for. It should be here for you. So , don't miss this! Just read this e-book variety for your better life and also knowledge.
