The Pastoral Epistles, I & II Timothy Titus (Black's New Testament Commentaries) J. N. D. Kelly
Since its appearance nearly 35 years ago, Black's New Testament Commentary Series has been hailed by both scholars and pastors for its insightful interpretations and reliable commentary. Each book in the series includes: an insightful introduction to the important historical, literary, and theological issues; key terms and phrases from the translation highlighted in the commentary where they are discussed; explanations of special Greek or foreign terms; references to important primary and secondary literature; and a Scripture index. Dr. Kelly's contribution to Black's New Testament Commentaries is of the first order: an excellent book in every way. The exposition in particular is sheer pleasure to study, and the reader cannot fail to admire the author's skill in combining a large amount of information, and detailed discussion of the various interpretations that can be put upon Greek constructions, with an easy but dignified style *Journal of Theological Studies*
