**Ecumenical Ventures in Ethics: Protestants Engage Pope John Paul II's Moral Encyclicals** Institute for Ecumenical Research

This book offers the first sustained Protestant response to Pope John Paul II's recent moral encyclicals -- Veritatis Splendor and Evangelium Vitae -- in the English-speaking world. Written by ten Protestant and two Catholic scholars internationally known in the fields of theology and ethics, these essays address central theological issues -- Scripture and ethics, faith and conscience, freedom and law, human nature and individuality -- and also press such key moral questions as euthanasia, abortion and the death penalty.
