Excerpt from Rinconete and Cortadillo

In view of the controversial nature of my introduction to this translation, it is only fair on my part that I should record the fact that when Mr. R. B. Cunninghame Graham wrote his preface he had not seen either the introduction or the translation itself. He is, therefore, in no way accountable for any of my statements. The responsibility for them rests entirely on myself. He kindly wrote it at my request, and for his characteristically elegant preface I can thank him in no better way - nor in one which he will better understand - than by quoting the beggars of Spain and saying: "Hermanito, Dios se lo pague."

For many valuable suggestions I wish to thank a Spanish scholar, as brilliant as he is modest, Dr. J. J. Mangan.
