The Three Cabritos

Eric A. Kimmel

The Three Cabritos Eric A. Kimmel

Once upon a time three cabritos (little goats) decide to go to a Mexican fiesta. But their mother is worried. She warns them about Chupacabra, the goat-sucker who lives beneath the bridge. And sure enough, as the goats cross the bridge, he jumps out! “Say your prayers. I’m going to eat you,” he tells the goats. But they are clever. And they know how to play music—music that finally gets rid of that old goat-sucker forever! An author’s note, glossary, and pronunciation guide are included.
