God Without Religion: Questioning Centuries of Accepted Truths Sankara Saranam

Since Sankara Saranam's groundbreaking book *God Without Religion* was released 10 years ago, thousands have been enlightened by his teachings and revelations. Now, in this special 10-year anniversary edition, Sankara returns with new insights and a renewed message of spiritual guidance and inspiration.

Disillusioned with organized religion, millions of people turn to secular humanism, neo-atheism, New Age thinking, Eastern religious practices, and mysticism while others retreat from spirituality altogether. A more satisfying and transformative option is to embark on a quest to discover what is real to you. Using time-tested tools of investigation into your own sense of self, you can examine your present beliefs, explore the nature of reality, and ultimately expand your identity and awareness.

God Without Religion introduces this age-old approach to self-inquiry for today's readers. Step by step, it offers a bridge between organized religion and self-realization for anyone questioning traditional dogma or its legacy of divisiveness. It also assists in overcoming limitations and notions of exclusivity promoted by modern-day movements. Included are 17 universal techniques for developing a personal understanding of the underlying substance of existence and broadening your view of yourself, others, and all of life.

This updated edition includes new details about Sankara's personal experiences with each technique. These highly relatable new passages will help you connect with each concept in a personal way, so that you can discover—or rediscover—your own spiritual path to clarity.

From reader reviews:

Frances Small:

Reading a book tends to be new life style within this era globalization. With reading you can get a lot of information that may give you benefit in your life. With book everyone in this world can certainly share their idea. Books can also inspire a lot of people. Lots of author can inspire their own reader with their story or perhaps their experience. Not only the storyline that share in the books. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors nowadays always try to improve their talent in writing, they also doing some study before they write on their book. One of them is this God Without Religion: Questioning Centuries of Accepted Truths.

Arthur Atwood:

Playing with family within a park, coming to see the sea world or hanging out with friends is thing that usually you will have done when you have spare time, subsequently why you don't try point that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love God Without Religion: Questioning Centuries of Accepted Truths, you can enjoy both. It is very good combination right, you still want to miss it? What kind of hang type is it? Oh occur its mind hangout folks. What? Still don't have it, oh come on its known as reading friends.

Fred Martinez:

Do you one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Try to pick one book that you just dont know the inside because don't evaluate book by its handle may doesn't work this is difficult job because you are scared that the inside maybe not seeing that fantastic as in the outside seem likes. Maybe you answer might be God Without Religion: Questioning Centuries of Accepted Truths why because the great cover that make you consider in regards to the content will not disappoint a person. The inside or content is actually fantastic as the outside or even cover. Your reading 6th sense will directly guide you to pick up this book.

Leon Bailey:

Many people spending their time frame by playing outside along with friends, fun activity having family or just watching TV all day every day. You can have new activity to spend your whole day by looking at a book. Ugh, think reading a book can really hard because you have to use the book everywhere?
