City girl, Annie Amanti, takes a three-month job at her best friend's, from college, bed and breakfast in Texas. Then it's off to Paris, France where her family relocated, to run a bakery her step father bought.

Cord McCreedy, a born and raised, sexy as hell Texan, who tames spirited horses is looking to put his wild ways behind him and settle down. He's just waiting for the right girl to come along.

Cord has been waiting four years for Annie. She just doesn't know it.

He fell head over heels for her when he caught a glimpse of her and heard her laughter on his friend's, sister's video chat. He knew then he wanted her, and now having a taste of her, he knows no other woman would satisfy him as none are as spirited and uninhibited as Annie.

Can Cord convince Annie to stay in Texas, or will she leave him to go to Paris as planned, leaving him a bachelor the rest of his life?

Warning: With a beautiful City girl and one smoking hot cowboy getting it on, this book is meant for mature audiences only. It is a sexy romance and it includes graphic language.
